A (sort of) Change of Venue

...

Now that you've drunk the green, lets talk about the real green, commerce! The folks from the development team for Riverview commercial park on Natsue Way will present to us on **Thursday, March 27, 2008** at a brand new meeting location for us, the clubhouse of the **Ferncroft Country Club**, for Lunch at Noon. The management of the Club is rolling out the special green carpet for us!

Those folks are seeking to establish a modest commercial park. The proposal is still in the approval process, before the various town boards.

So come celebrate longer days, the end of Winter (we hope) and the beginning of the baseball season in a far-off land! The cost of the lunch is \$15.00 per person, tax and tip included. Make your intentions known no later than **March 25, 2008** by contacting **Samantha Marra**, by phone at 978-423-7485 or email samanthamarra@gmail.com.

So Mike can plan his life ...

We'll next meet on *April 17, 2008* at which **Town Administrator Ira Singer** will give his annual state of the Town address, over lunch.

On the evening of *May 22, 2008* we're planning our glamour meeting of the Spring back at the Ferncroft Country Club.

Maybe on *June 26, 2008* we'll try the lobster thing again!

Member Ticklers ...

Our Sign Committee (aka Zoning Bylaw Amendment Committee) has begun meeting. Any and all input should be directed to the **Scaffidi's** and/or **President Laurie Arizzi**.

BREAKING NEWS: *DiMauro Family Chiropractic* has indeed opened for business at 69 South Main Street. Wonder if Michael needs a new dentist?

MORE BREAKING NEWS: The steel frame has actually gone up for **Mark Allara's, Family Medical Group**, future new home at the back of Teresa's lot! I've got dibs on his parking space, as long as his car comes with it.

Support is being welcomed for **Paul Richardson's** and **Warren Kelley's, Baert Marine**, hearing before the Board of Appeals on March 27, 2008, regarding the boat storage issue tucked away at 8 Natsue Way.

You're invited to a Celebration of Community Spirit, sponsored by the Middleton School Committee, on Wednesday, March 26, 2008 at 6:30 pm at the Fuller Meadow 1.
